June 2025

Dear Friends of N-NURSE,

It is our pleasure to announce N-NURSE will be hosting its Eleventh Symposium Wednesday through Friday, November 5-7, 2025 at the Indian Pueblo Cultural Center in Albuquerque, NM. We cordially invite you to participate as an exhibitor for this unique nursing educational event titled,

*Bits'í yishtlizhii sáanii dóó alchinií bah á' dahwizaágo bits'íis bah'ahá yah  
Indigenous Pathways to Maternal and Child Health*

N-NURSE strives to offer the best at its symposium by inviting speakers and workshop facilitators with expertise appropriate to the focus of the symposium.

A special feature of the N-NURSE symposium is promoting and celebrating American Indian nursing students in the Four Corners area through an American Indian Student Nurse Symposium Scholarship Program. The symposium provides an opportunity for Native nursing students to network, expand their knowledge of nursing as a career and build leadership skills.

N-NURSE sincerely invites your participation as an exhibitor at the 2025 symposium event. Exhibitors will be recognized in the program and during the Honoring Feast. There are six levels to choose from. Details of the six levels are found in the Exhibitor Registration Form at the link below.

Here is how you can become an exhibitor. Please follow the link provided below to view and select the level that fits your organization. For further information we invite you to contact Barbara Overman at phone(voice of text) at (505)238-5982 or email: [info@n-nurse.org](mailto:info@n-nurse.org).
